

# Respite Support Services in Nevada

Respite care is a service designed to provide a break, or time for caregiver relief from the constant physical and emotional stress of caring for a person with a chronic illness, disability, or functional limitation. Listed below are respite care options available to caregivers. For more information on a variety of services, resources, and programs please refer to [Nevada Care Connection | Adult & Caregiver Support Services](#) for other long-term support services and questions to support you in your caregiving journey.
