Dear fellow Nevadan,

It's an honor to represent you and our great state in the United States Senate. I ran for office to make a difference for Nevadans, and I believe it is my responsibility to fight for our families and the issues that matter most to our state. That includes helping Nevada residents with navigating federal agencies and identifying federal resources.

In order to help you, my office offers an array of services for all Nevadans to navigate the federal government. I'm fortunate to have an impressive and diverse team in both Nevada and Washington, and I'm confident that they will be able to provide you with the best constituent services available. If you or anyone you know has issues with veterans or active duty military benefits, immigration cases, or with a federal agency such as the Social Security Administration, the IRS, or the VA, please don't hesitate to contact my office. Visit our website at [rosen.senate.gov](http://rosen.senate.gov) to see how we can be of further assistance to you.

Warm regards,

Jacky Rosen  
United States Senator
