

Hello.

I spoke to Tony Records yesterday regarding our conversation last Friday.

I affirmed he does not have a list of the individuals he interviewed during his review in 2010. He is interested and willing to participate in the group interviews as described during our meeting last week if the time and place was established for him. He would schedule those in with his other interviews. He still plans to complete @25 interview sessions 1 – 1 ½ hours long. This group interviews would be included in the 25 interviews.

He noted that he had planned to make 4 trips to the Reno/Carson area for interviews spending 2-3 days at a time.

He planned to make 2 trips to Las Vegas again spending 2-3 days at a time.

He also agreed to the monthly check in with the group as his work proceeds.

Key areas to assess strategies/services that support people's plan to live in the most integrated settings:

1. Employment
2. Housing
3. Transportation
4. Non Medical Supports/Services for care
5. Education
6. Health Care
7. Community Engagement

Here is the list of potential interview agencies/types that we discussed on Friday.
