Dear Ms. Vitelli:

Section 503 of the reauthorized Older American Act (OAA) Amendments requires the Governor of each state to complete a Senior Community Service Employment Program State Plan. The purpose of the Plan is to encourage coordination among Senior Community Service Employment Programs (SCSEP) grantees and assist stakeholders in working together in furtherance of SCSEP goals.

In accordance with Training and Employment Guidance Letter No. 16-07, issued December 31, 2007, the Governor must submit a statement to the U.S. Department of Labor/ETA to delegate responsibility for completion of the Plan. This letter will serve that purpose.

As Governor of the State of Nevada, it is my pleasure to delegate responsibility for developing and submitting the State of Nevada Senior Community Service Employment Program (SCSEP) State Plan to the Department of Health and Human Services, Aging and Disability Services Division. Question related to development of the Plan should be directed to Shirley Chantrill, SCSEP State Director. She can be reached at 775 738-1966 or schantrill@adsd.nv.gov.

By our signatures below delegation of authority is so granted.
