

## VERIFICATION OF INTENT

The *Nevada Aging and Disability Services Division State Plan* is hereby submitted for the State of Nevada for the period of October 1, 2016 through September 30, 2020. It includes all plans to be conducted by the Nevada Department of Health and Human Services, Aging and Disability Services Division, under the provisions of the Older Americans Act, as amended, during the period identified. The Nevada Aging and Disability Services Division has been given the authority to develop and administer the *Nevada Aging and Disability Services Division State Plan*, in accordance with all requirements of the Act. The Division is responsible for the coordination of all State activities related to the purpose of the Act, i.e., the development of comprehensive and coordinated systems for the delivery of supportive services, nutrition services, and support of multi-purpose senior centers. The Division also serves as the primary advocate for older adults and persons with disabilities in the State. The Division agrees to abide by all assurances required by the Administration on Aging.

This Plan is hereby approved by the Governor and constitutes authorization to proceed with activities under the Plan upon approval by the Assistant Secretary for Aging.

The *Nevada Aging and Disability Services Division State Plan* hereby submitted has been developed in accordance with all Federal statutory and regulatory requirements.
