Applied Behavior Analysis Board Meeting: October 22<sup>nd</sup>, 2020 Public Comment from:  
Melissa Almanza

Hello! My name is Melissa Almanza for the record.

Per [ag.nv.gov](http://ag.nv.gov), per Open Meeting Law, meeting notice "must be posted no later than 9 a.m. on the third working day prior to the meeting – do not count the day of the meeting."

I do not dispute that the ABA Board follows this rule for their meetings, but as someone who would like to attend the meetings more regularly and is trying to be more involved in the matters addressed at these meetings, I humbly ask this board to consider adopting a standing meeting day and/or time, as other groups bound by open meeting law in NV have.

While not *required* per the law, I believe this would allow for more participation from the very people this board governs. I also believe it would be seen as an effort towards continued transparency and improved community collaboration.

If I'm misunderstanding the open meeting law requirements, I'd love to have a follow up conversation with a board member in re: to how to further community awareness of, and involvement with, this board.

Thank you,  
Melissa Almanza
