

### **Art Reitz's Recommendations for Comm Ed Statewide Website**

Here are my recommendations for the statewide website.

1. Resource list for North, South and Rural areas.
2. Resources broken up by age (0-6) Young child, (7-12) School age, (13-18) Transition age and (19+) Adult
3. What is Autism?
4. Community Safety resources (First Responder Training, Sticker program and Disability registry form)
5. Online resources offering tool kits (brief descriptions on various subjects)
6. Statewide conferences.
