Good afternoon,

Please note this request is time sensitive to ensure the SPIL will be approved as quickly as possible.

Kimball Gray requested revisions to the FFY17-19 SPIL. Please see the proposed revisions, see attached/full document below my signature. **Revisions Requested by Kimball Gray DRAFT 1 FFY17-19 SPIL** Please note, the changes mostly reflect copying and pasting from various sections of the SPIL. There are not substantial changes to the SPIL. Should you have comments, do not include any other SILC members in your response, to ensure we do not violate any open meeting laws. Please submit any comments and/or revisions immediately.

I must submit the revisions into the ACL Nevada SPIL document as soon as possible. I plan to make the changes no later than noon on September 20, 2016. We will discuss the submission during the October meeting.

Please be reminded the SPIL will not be valid until it is approved by Kimball and the ACL.

Thank you,

Rique

Section 1.1 & 1.3 need the entities name, not a "Yes."

~~Nevada Statewide Independent Living Council~~

1.3B(4) Provide any additional information about the financial plan, as appropriate.

In the Financial Plan table in section 1.3A describe the activities funded by the \$84,556 in the “Other SPIL Activities” column.

Complete the financial plan tables covering years 1, 2 and 3 of this SPIL. For each funding source, provide estimated dollar amounts anticipated for the applicable uses. The financial plan table should include only those funding sources and amounts that are intended to support one or more of the objectives identified in section 1.2 of the SPIL. To the extent possible, the tables and narratives must reflect the applicable financial information from centers for independent living. Refer to the SPIL Instructions for additional information about completing the financial tables and narratives.

~~“Other SPIL Activities” funded under this section will include objectives~~

~~A3: The NVSILC will direct staff to coordinate a minimum of two (2) trainings per year.~~

~~A survey tool will be developed by staff with the direction of the NVSILC for participants in all trainings.~~

~~Participants will be surveyed at the conclusion of all trainings.~~

~~A5: The NVSILC will complete an organizational assessment by 3/31/18.~~

~~The NVSILC will develop an action plan by 6/30/18.~~

~~The NVSILC will implement strategies for improvement by 9/30/18.~~

~~B1: The NVSILC will arrange consultation with each CIL by 3/31/17.~~

~~The NVSILC and CIL network will establish priorities by 9/30 of each year.~~

~~B2: The NVSILC will facilitate a minimum of two (2) face-to-face onsite meetings between the CILs, one or more NVSILC members, and support staff by 6/30 of each year.~~

~~C1: Research and adopt an effective IL network model by 9/30/17.~~

~~The NVSILC will increase participation by 5 partners based on the identified model each year.~~

~~D1: The NVSILC will begin the development of the data collection strategy by 12/31/16; status update to the NVSILC by 3/31/17; status update to the NVSILC by 6/30/17; with the final strategy in place by 9/30/2017.~~

3.1 Existing Network

I need the SPIL Signatory statement to indicate that not less than 51% of the Center Directors signed the SPIL.

The state of Nevada has two Centers' for Independent Living. Both Executive Directors signed Nevada's FFY17-19 SPIL. Lisa Bonic, Northern Nevada Center for Independent Living and Mary Evilsizer, Southern Nevada Center for Independent Living.

3.2 Expansion of Network

I need you to describe what would happen if a Part C grant is relinquished or terminated (e.g., would all funds be used to establish a new CIL in the same service area).

If a Part C grant was relinquished or terminated the SILC funding would be utilized to establish a new CIL in the same service area.

Call me if you have questions. Let me know when you make the changes and submit.
