AUTISM TREATMENT ASSISTANCE PROGRAM NEWSLETTER

February | 2019

HELPING PEOPLE. IT'S WHO WE ARE AND WHAT WE DO.

“The Aging and Disability Services Division provides leadership and advocacy in the planning, development, and delivery of a high quality, comprehensive support service system across the lifespan. This allows all of Nevada’s elders, adults and children with disabilities or special health care needs to live independent, meaningful, and dignified lives, in the most integrated setting appropriate to their needs.”

Should you have any questions about the information provided, please reach out to your ATAP Developmental Specialist.

ATAP REMINDERS & UPDATES

- Maintain monthly contact with Developmental Specialist.
- Explanation of Benefits from Insurance and insurance denials must be submitted to your DS as soon as possible.
- Insurance assistance plans are allotted \$500 a month to help with co-payments/co-insurance. Should you wish to apply for a special consideration, please reach out to your DS for more information.
- Children on service coordination plans, the parent is responsible to request the approved PA from their provider to submit to their DS.
- The State of Nevada’s Legislative Session begins February 4th. Please remember that families on our program are the best advocate during this time. If you need information about when you can attend meetings to provide public comment, please reach out to your DS.
