

AUTISM TREATMENT ASSISTANCE PROGRAM NEWSLETTER

NOVEMBER | 2019

HELPING PEOPLE. IT'S WHO WE ARE AND WHAT WE DO.

"The Aging and Disability Services Division provides leadership and advocacy in the planning, development, and delivery of a high quality, comprehensive support service system across the lifespan. This allows all of Nevada's elders, adults and children with disabilities or special health care needs to live independent, meaningful, and dignified lives, in the most integrated setting appropriate to their needs."

Should you have any questions about the information provided, please reach out to your ATAP Developmental Specialist.

ATAP REMINDERS & UPDATES

- If your child is on an insurance plan that has calendar year coverage, please submit a copy of last year's EOB's and this year's updated insurance card to your ATAP DS by the end of January 2020. If ABA therapy is not a covered benefit, a denial letter is required, along with a complaint to the division of insurance.
- If insurance policies renew in January, your DS will need proof of coverage or a denial letter within 30 days.
- Open enrollment dates 11/1/19-12/15/19! You can apply for new 2020 health insurance, renew, change, or update your 2019 health plan for 2020. After this date, you can enroll or change only with a Special Enrollment Period. Coverage under plans sold during Open Enrollment starts January 1, 2020.
- If your child is currently without a provider, please make sure you are calling providers monthly to ensure your child is still on their waitlist, and to check on the status. This is a requirement to stay active with ATAP.
- Please remember that monthly communication with your ATAP DS and quarterly home visits are a requirement to stay active with ATAP.
- Parent training is a requirement to stay active with ATAP (if you are funded by ATAP). If your provider does not have you working on parent programs, please reach out to your ATAP DS and let them know.
