

# ACCESS TO SERVICES FOR DEAF, HARD OF HEARING AND SPEECH IMPAIRED ADULTS IS OUR PRIORITY

## OUR SERVICES

- ✓ Information & Referral
- ✓ Case Management Services
- ✓ Navigation Assistance to Access Services

Our goal is to help you access services for education, employment, health or social services.

## ABOUT US

The Nevada Aging and Disability Services Division (ADSD) is currently helping with access to services for adults due to the closure of our existing community partner, Deaf Centers of Nevada (DCN). We have a temporary Adult Case Specialist fluent in American Sign Language and knowledgeable of Deaf culture available to assist you in accessing services specifically employment, education, health, and social services.

Services will be provided virtually
