Long Term Care Ombudsman Program

A Long Term Care Ombudsman is a certified advocate for residents in long-term care facilities whose job it is to protect the rights of residents. An ombudsman is an independent, impartial mediator who investigates and resolves complaints made by, or on behalf of residents of long-term care facilities, which have not been resolved satisfactorily by the staff of those facilities.

The role of the Ombudsman includes:

♦ providing information to residents and their family members
♦ assisting residents in resolving issues and making informed decisions
♦ assisting long term care facilities with implementing resident and family councils.

What is Family Council?

A family council is a group of family members and friends who commit their time to work together to improve the quality of life for nursing home residents.

Goals of Family Council

- **Advocate** to enhance quality of life and care for nursing home residents
- **Communicate** concerns constructively and effectively channel complaints
- **Serve** as an advisory body to generate new ideas and innovative approaches for provision of care
- **Educate** new families about long-term care issues and policies
- **Promote** resident rights

Benefits of the Family Council

- **Opportunity** to help shape policies affecting loved ones
- **Ensure** residents receive quality care
- **Gain** a support system drawn from shared goals and experiences of families
- **Obtain** information and education regarding the long-term care system
- **Empowerment** through involvement, open communication and advocacy.
- **Build** a sense of community among families

Rights of Members

- **Federal law** states that families and guardians of nursing home residents have the right to hold meetings privately within the facility.
- **Facility** must provide a meeting space, and designate a staff liaison
- **Staff** may attend the council by invitation.
- **Federal law** mandates the facility must respond to grievances and recommendations generated by the council.
