

Angel Tree

Aging and Disability Services Division (ADSD) is sponsoring an Angel Tree for local seniors who are in need and may not be receiving much, if anything at all for Christmas this year.

If you are able, please help by selecting an Angel Tag from our tree and purchasing a gift for a senior. Our tree will be located in the lobby of ADSD's Carson City office at 3416 Goni Road, Building D, Suite 132.

Please bring wrapped gifts with the Angel Tag from the tree attached to the receptionist at the front desk of the ADSD Building D offices by December 5th, and we will deliver your gift on your behalf.

Thank you for your generosity!
