RURAL REGIONAL CENTER (RRC)

Rural Regional Center is a State of Nevada Aging and Disability Services Division agency that provides support and services to children and adults with an intellectual or developmental disabilities.

ELIGIBILITY

An individual must:

Be a legal resident of the State of Nevada

Have a diagnosis of intellectual or developmental disabilities (e.g. Autism, Cerebral Palsy, Down's Syndrome, Epilepsy, or other neurological impairment) and have substantial limitations in adaptive functioning (e.g. communication, self-care, home living, social skills, etc.) prior to the age of 22.

APPLICATION FOR SERVICES

If you are interested in receiving additional information regarding services and supports provided through RRC call (775) 687-0958 or (775) 687-0920 and an intake coordinator will assist you with the application.

“Nevadans, regardless of age or ability will enjoy a meaningful life led with dignity and self-determination.”
ADSD vision statement

RRC SERVICES & SUPPORTS

RRC provides a variety of services and supports that promote the health, safety and well being of the person and their families.

Service Coordination

All participants are provided case management services to assist them in the coordination of services and supports.

Supported Living

RRC provides a continuum of residential supports from in-home to group living situations.

Jobs & Day Training

A variety of community-based options are available for those interested in finding employment and developing vocational skills

Family Preservation Program

This program provides financial assistance to financially qualifying relatives to provide in-home care for family members with severe to profound intellectual disabilities.

Respite

A flexible service option that allows the primary caregiver to take time away from the ongoing care of the family member with a intellectual disability.

Psychological Services

Provides an array of services from eligibility assessment, individual and group counseling, skill-based instruction, and psychological and behavioral consultation.
