APPLIED BEHAVIOR ANALYSIS BOARD MEETING: AUGUST 25, 2020 PUBLIC COMMENT FROM:

Ken with Advanced Child Behavior Solutions:

Dear ABA Board-

1. LBA/LABA renewal app: looks fine. Prefer to not have to make copy of BACB cert since info available online at their website.
2. LBA/LABA Ceu Log: misspelling in title; would be good to include requirements; also good to list the year window for the requirements (Jan 1 2019-Dec 31 2020. There were so many comments early with people not recognizing that their CEU cycle needs to match the biannual renewal and their BACB requirements. These are different timelines for many folks. Easily managed as long as one is keeping an eye on it.
3. Looks like the last sentence of this document trails off. Because the BACB now allows multiple supervisors, one can include--list the one supervisor/responsible certificant.

Hope this helps!
