5. **Presentation and Discussion:** Information on the new case management provider

Kirsten Coulombe, Social Services Chief III, Medicaid

- Historically we have not had a private case manager in Nevada. About 2 years ago we were approached by Care Link, and they were interested in becoming a private case manager. It took us till June of 2023 to get all the policies and infrastructure in place, but they are currently managing about 264 waiver recipients, mostly for our frail elderly waiver. Currently they are not taking on any more clients until they can hire more social workers and get their caseloads in line with the public caseload of 50 to 1.
- AB208 from the last legislative session, has an implementation date of January 2025 and this will be a fourth waiver that is called the structured family caregiver waiver and that is specific to individuals with dementia.

6. **Presentation and Discussion:** Utilization of Dental and Podiatry Services in Nevada Nursing Facilities.

Dr. Keith Benson, State Dental Health Officer

- Tabled this item.

7. **Presentation and Discussion:** COA subcommittee report

- The subcommittee met on January 18, 2024, and we welcomed 3 new members to the subcommittee. Dr. Jason Flatt, from UNLV, Natalie Mazzullo, and Diane Fearson and subsequently Deanne O’Rear-Cameron were welcomed.
- The focus of the meeting was three areas that the commission recommended the subcommittee study, these are the Medicare Savings Program, an examination of the program for all-inclusive care for the elderly or PACE program, which is a Medicaid slash Medicare program for All Inclusive Care and the third was to examine the possible ramifications and implication of moving our specials need population into managed care.
- Anthony Jones sat in on from the Department of welfare and social services for the Medicare Saving program discussion and Jonathan Norman the outreach and policy director for the Nevada legal services providers coalition did a presentation on bill that included housing bills and other types of housing options for individuals with behavioral needs.
