Dear Director Whitley,

On behalf of the Nevada Commission on Services for Persons with Disabilities (CSPD), I am attaching the Report related to the use of Master Tobacco Settlement Funds (MTSF). It is the recommendation of the CSPD to allocate funding evenly between Lifespan Respite programs, Independent Living, and Positive Behavioral Supports dollars. (Please note that I am serving as the point of contact for CSPD while the Commission's Chairman is on medical leave). As all services are important for persons with disabilities and their families, even distribution of funding is recommended.
