Dear Senator Spearman,

The Nevada Commission for the Persons who are Deaf and Hard of Hearing would to say **THANK YOU**. Because of your hard work and dedication over the past several years advocating for the Deaf and Hard of Hearing community, the Deaf and Hard of Hearing community is now enjoying the greater opportunity and a more accessible world.

It has been a long road to create the Commission for the Deaf and Hard of Hearing community, but it would not have happened without your unwavering supports. The Commission has evolved over the past few years, and it's now in a good position to provide additional supports to the Deaf and Hard of Hearing community

Again, a sincere thank you for your support and determination and the Commission wish you best wishes in your future endeavors.

Sincerely,
