Do you have any suggestions you wish to share with us?

1) Expand the hours since Las Vegas is 24-hour lifestyle. Need something to last after 6 PM PST. I believe 8 PM PST would be ideal for our community needs.

2) I love ASL Anywhere!
3) First of all, I got 20 minutes of free interpreting services from the State of Nevada. After that it seems that the State of Nevada is not in agreement about providing 20 minutes each month. It depends on the budget. It has been two months and nothing has happened. I am disappointed. I hope the State of Nevada will follow the South Dakota's system.
4) ASL Anywhere interpreting is interesting. The interpreters are great.
5) No comments
6) I can't afford to pay for the interpreting services when the minutes are exhausted.
