

Nevada Commission for Persons who are Deaf and Hard of Hearing

December 30, 2022

Nevada Boards and Commissions:

The Nevada Commission for Persons who are Deaf and Hard of Hearing has had a vacancy in the seat reserved for a representative from the Nevada Association of the Deaf for many months. Having this seat filled is extremely valuable for the Commission and its work because of the connection this seat provides between the Commission and the statewide community of Deaf individuals. The members of the Commission respectfully request that the Governor act to appoint a representative from the Nevada Association of the Deaf to fill this seat as soon as possible so that we may strengthen our ties with the community we serve and continue the valuable work to improve access to health, employment, and other vital services for Deaf individuals throughout the state.

Sincerely,

Eric Wilcox

Chair, Nevada Commission for Persons who are Deaf and Hard of Hearing
