Engagement initiative & Objective:

The initiative and objectives are to support the repair of our transitional pipeline for Deaf and Hard of Hearing K12 students into post-secondary education and workforce by exposing our students to their potential and options within our state and/or larger resource pool. These efforts are to bring back Deaf heritage and traditions to the state of Nevada through our parent camp, Camp SignShine, Transition Day, and a Deaf and hard of Hearing focused Camp CRAVE.

See attachment State Plan Recommendations: #7. Post-Secondary Education Transition (page 10) and #8. WIOA (Workforce Innovation and Opportunities Act) Partnerships (page 10).

NOTE: Items on this agenda may be taken in a different order than listed. Two or more agenda items may be combined for consideration. An item may be removed from this agenda or discussion relating to an item on this agenda may be delayed at any time.

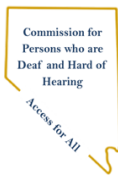

Minutes of this meeting will be produced in summary format. Please provide the Commission administrative support with electronic or written copies of testimony and visual presentations if you wish to have complete versions included as exhibits with the minutes.
