2. **Public Comment:**

- No Public Comment.

3. **For Possible Action:** Approval of Minutes of the January 17, 2024, meeting.

- Dr. David Kelsey made a motion to approve the minutes, Dr. Felicia Rutledge seconded, and motion carried.

4. **For Information:** Update on Office of Inclusive Education.

- At this time, we have not followed up with the Office of Inclusive Education, they had suggested that we attend the SEAC (Special education advisory committee) meeting and that isn't scheduled for another six or eight weeks. We will try to get on their agenda for the next meeting and barring that happening, Eric will attend and make public comments, and have a conversation with the Chair of that committee.

- One thing that would make this easier to move forward would be if there were any formal complaints made against the school district, however most people we have talked to in the community wish to remain anonymous due to fears of retaliation by the school district, weather they are a student family or an educator.
5. **For Information:** Update on outreach to Individuals with Disabilities Education Act (IDEA) Part C office and Nevada Early Intervention Services (NEIS).
 - Waiting to have the full commission meeting which happens tomorrow to get permission to send the letter. And we hope to get a dialogue going with these offices once we send the letter.
 6. **For Possible Action:** Approval of Tentative Agenda Items for Next meeting, July 16, 2024.
 - Develop a draft of a survey on education for Deaf and Hard of Hearing in the State and possible barriers to education.
 - Discussion about a Deaf School.
 - Possibly a presentation by the Clark County School District (CCSD).
 7. **Public Comment:**
 - No Public Comment
 8. **Adjournment: 5:00 PM**
