<p>Satisfactory number of subcommittee members were present to meet quorum. Meeting minutes from December 5, 2023 were approved. Updates from the recent full Commission meeting were shared: approval to send DETR letter on Commission letterhead and to reach out to Bureau of Vocational Rehabilitation for their state plan granted on 3/27/24. Due to short turn around time, actions haven’t taken place or responses received thus, these agenda items will be moved to the next subcommittee meeting (6/11/24). Interest was expressed to invite Unemployment Dept representation to share updates related to the online claimant platform that is getting upgraded at a future subcommittee meeting. Closing public comment shared an anonymous submission seeking development of a resource list in the state for job services aside from Vocational Rehabilitation as the case was closed.</p>
