Quorum Met:	Yes	Accommodation(s) Provided: ASL Interpreters and CART	
Meeting Summary: We voted to retain Lee Bullock and add Jaime Vitale to the subcommittee. There were presentations by both Nevada State College and College of Southern Nevada on their Deaf Studies/Interpreter Preparation Programs and we would like to continue the discussions with them in future meetings as there is a perception by the community of more interpreters going into the education field than the community field and the colleges do not make that decision for the students but rather let them decide and have many types of course available to them.			
Current Project(s): [State current projects or outreach efforts if any...]			
Recommendation(s):	1. To reopen the discussion on the interpreters registry and bring the proper people to the table		
Request(s):	1. [State Subcommittee Request(s) of Commission] 2. [State Subcommittee Request(s) of Commission] 3. [Includes additional meeting request. Include dates requested.]		
Additional Notes: [Add any additional notes, comments, or thoughts here.]
