
ADSD [Olmstead Plan Presentation](#)

NVCDHH Commissioners,

Sean Mulholland and I plan to attend to ADSD Website workshop next Tuesday. I contacted Ryan to send me the ADSD Olmstead Plan beforehand so that I can participate fully when we come in.

Ryan sent me links as I copied above. I see that Eli Schwartz was seated on this committee. I don't see any feedback or having deaf and hard of hearing participants in the surveys or such. Or any representation on behalf of our community on the Olmstead Plan. I am sending this email to request on why or why not are we not being informed or participating in feedback.

We, the deaf community, would be appreciated if we are shared, informed, shared and/or participated in the designing of the plan.

Respectfully Yours,
Shelly Freed
