Meeting Summary:

This was a special meeting called to address Committee member appointments. At this meeting we added two members, Jaime Vitale and Lee Bullock, to the subcommittee and discussed topics for our next meeting.

Current Project(s):

We would like to take recommendations from the Engagement Conference and Townhalls on accessibility issues especially strategies to support community providers for DeafBlind individuals and report back to the commission for additional advocacy.

Recommendation(s):	1. Recommendation to pursue legislative and/or resource advocacy for DeafBlind Support Services (i.e., SSPs and/or CNs) per Community Feedback.
Request(s):	1. To take recommendations from the 2025 Engagement Conference and Townhalls on accessibility issues, especially strategies to support community providers for DeafBlind individuals and report back to the commission.
