What We Do

PROGRAMS

- ❖ Time Exchange
- ❖ Volunteer Village
- ❖ N4 Connect
- ❖ Community Care

PROJECTS

- ❖ Park Adoption
- ❖ Nevada Dementia Capable Community Care

Community Care

The Community Care program supports people 18 years of age and older who have intellectual and developmental disabilities, physical disabilities, dementia and related conditions, as well as their family care partners.

We do this by providing in-home and community-focused services that increase engagement by using a person/family-centered approach to care planning.

Community Care Services

Personal care

Social, leisure & recreational activities

Opportunities for civic engagement & self-advocacy

Transportation

Support accessing healthcare services, including routine wellness checks and vaccines

Educational opportunities for people and their family members

Respite care

Home management

Assistance with accessing community resources

Comprehensive case management & care consultation

Respite Care Eligibility

- Respite care is to give the primary support person a break.
- Eligibility criteria for people to receive respite care is as follows:
 - Primary support person of a person who is 60+
 - Primary support person of a person (any age) who is living with dementia (or possible dementia) any age
 - Primary support person of a person with a disability who is 18+

What Respite Care Includes

- Minimum of 5 hours/week respite care plus comprehensive case management and care consultation
- Provided by trained, paid staff in the person's home and/or community
