4. Budget Presentation by Aging and Disability Service Division (ADSD):

Rique Robb, Deputy Administrator: Nevada Department of Health and Human Services Aging and Disability Services & Jessica Adams, Deputy Administrator: Nevada Department of Health and Human Services Aging and Disability Services

- Most of the ADSD budget is focused on case load growth.
- Services are either direct services, or case managing services, all programs have a quality assurance program in place.
- CARE dollars allowed the Long-Term Care Ombudsmen program to deploy tablets to facilities and set up visitation station.
- UNR and ADSD collaborated to launch the Statewide project Nevada COVID-19 Aging Network-Rapid Response (Nevada CAN), to ensure all vulnerable Nevadans have access to medical, social, and daily essential items while staying at home. The program has been such a success that it is in the process of becoming permeant program.
- A request to increase the Administrative Budget to help support the other areas as they have continued to grow.
- A slight increase has been requested for - Family Preservation Program (FPP), they provide financial assistance to families that have severe or profound developmental disabilities to help keep people in their home.
- Additional funding has been requested for the Rural Regional Centers (RRC) and Desert Regional Centers (DRC) to assist with the continued increasing caseloads.
- Sierra Regional Centers (SRC) had slowed but an increase in request has been noticed as restrictions open.
- Developmental Services caseload summary request for 19.5 staff members most to go to DRC.
- Nevada Early Intervention Services (NEIS) – 1 new position has been requested.
- Autism Treatment Assistance Program (ATAP)- 4 new positions have been requested.
- Personal Assistance Services (PAS) is an in-home service has been impacted by COVID as things open it is likely that a waitlist will need to be implemented.
- Homemaker Services stayed flatlined during COVID, but an increase in services requested are expected as things open again.
- Community Service Options Program for the Elderly (COPE)–Has remained steady during COVID.
- Long-Term Care Ombudsman has a large drop in services because of Covid but cases are increasing as restrictions are lifted.

- Adult Protective services (APS), caseload decreased some during Covid, caseloads are expected to increase. APS opened 7,421 in 2020 averaging 618 cases a month. As of January 2021, 3,984 have been opened in Nevada Fiscal year.
- Projections for staff changes are as follows:
 - APS to increase staff by 9,
 - CBC reduction by 2,
 - LTCOB reduction by 6,
 - these are just projections and are subject to change until the budget has been finalized.
- Desert Regional Center (DRC) intermediate care facility is licensed to accommodate 45 individuals, but due to staffing issues they have been averaging 39 individuals.
- ADSD is requesting that The Office of Consumer Health be moved over to ADSD from the Department of Health and Humans Services Director's office (DHHS).
- Transfers of the Office of Consumer Health Assistance, Nevada 2-1-1, and the Patient Protection Commission to ADSD will help streamline access to appropriate levels, help with collaborations among various units, coordinate resources and outreach efforts. The names and duties of all will remain the same no changes are going to be made.
- Deferring any equipment replacement for Fiscal Year (FY) 2022, Holding 93 frozen jobs for Fiscal Year (FY) 2022, these positions are currently vacant or frozen, with no eliminations being made. Proposal for a rate reduction for NEIS from \$565 per child to \$500 over the Biennium. This is an administrative cost rate over and above what they get for services. DRC has a Fiscal Intermediate program reduction proposal from \$450 to \$300 for 1 year.
- Proposal for an Enhanced Behavioral Support Homes pilot program of 6 homes for people having difficulty that would be at a higher rate of pay to help train and staff the homes.
- The Bill Draft Request (BDR) that ADSD has submitted is to clean up language and remove the lengthy eligibility requirements for the Senior/Disability RX. Move the program out of Statue and add them to NAC so that they can creates eligibility with other NRS 427A programs and aligns to changes in the Federal prescription drug program.
