ABOUT US

GetSetup is based in San Francisco with Guides located all over the United States. Our management team, investors and advisors come from; Apple, Cisco, Copper, Freckle, IFTTT, Notion, Rally Health, ReThink Education, United Healthcare, Yahoo and Zaya Learning. We currently offer over **800 hours** a week of live classes across **150+ topics** on popular software and services in both live group and one-on-one formats.

We cover topics from basic communication tools such as Zoom, Gmail, and Facebook, to how to use popular delivery apps to order food, prescriptions, and a whole host of other fun online learning topics.

PROPOSAL SPECIFICS

- GetSetup will offer live, interactive classes to your community (via bespoke e-learning channel)
- GetSetup will provide your members with small group classes across 150+ different class curriculums (or as curated by you)
- GetSetup can create a co-branded a landing page i.e. "Your e-learning channel powered by GetSetup"
- We are fast, flexible and scalable, we can have this ready in as quick as one week.

PRICING OPTIONS TO FIT YOUR USE CASE

1) **Your organization buys subscription packages, offers them free to your users**

    i.e. you offer your users unlimited classes per month for $14.99/month

2) **Your organization buys bulk number of classes (seats), offer them free to your users**

    i.e. you pay $5 per class per user and make it free to end user

PROGRAM BENEFITS
-

- Creates a sense of community
- Promotes continuous learning and neuroplasticity
- Fun and entertaining
- Increases socialization and reduces isolation and loneliness
- Teaches new skills for those wanting to achieve specific goals

NEXT STEPS

1. Agree on and finalize program details.
2. Finalize initial curriculum for launch (can be changed and updated anytime).
3. Finalize co-branding landing page welcoming your members
4. Send out message to members to announce program
5. Go **live**!
