Job Announcement – Recruitment #48812

DEVELOPMENTAL SPECIALIST 1 - Underfill – Las Vegas, Nevada

POSITION DESCRIPTION

Developmental Specialists provide individual and group clinical, developmental and support services for individuals of all ages who have, or who may be at risk for, developmental delays, developmental disabilities, intellectual disabilities or related conditions, and social, emotional, and/or behavioral disorders. Under immediate supervision, incumbents function in a trainee capacity and learn to perform duties described in the series concept.

This recruitment will be used to underfill positions within the Developmental Specialist series. This recruitment may be used to fill current and future vacancies as they occur in the following programs: Desert Regional Center - Community Services (DRC). Incumbents oversee case management services for people with intellectual disabilities and related conditions such as Autism, Seizure Disorder, and Cerebral Palsy who reside at home with their families or in a supported living arrangement in the community. Within the Children's Services Program, the incumbent could serve as the Developmental Specialist for the Youth Intensive Support Services (YISS) Team, which serves children with dual diagnoses. They will develop partnerships with service providers and mental health organizations. The YISS team incumbents will be familiar with positive behavioral supports, as well as local developmental and mental health providers. YISS team members have a lesser caseload than non-YISS Developmental Specialists.
