Job Announcement – Recruitment #48181

MAINTENANCE REPAIR WORKER 2 – Las Vegas, Nevada

POSITION DESCRIPTION

Maintenance Repair Workers perform semi-skilled work in the building and mechanical trades to repair, construct, and/or maintain buildings, facilities and equipment. Under general supervision, incumbents perform the range of duties described in the series concept. Routine tasks are performed independently, but complex semi-skilled work is typically performed in conjunction with a journey level trades worker or Maintenance Repair Specialists. This is the journey level in the series.

This recruitment may be used to fill current and future vacancies as they occur in the following program: Desert Regional Center-Intermediate Care Facility (DRC-ICF). Incumbents must always follow Building and Grounds Policy and Procedures and must understand and carry out procedures of the hazard Communication Program.

Routine tasks include but are not limited to: maintenance of proper soil element contents; maintenance of sprinkler system in proper working order; set up mowing schedules as necessary; keep all ground tools in clean, neat and working order; assist with various tasks associated with the overall upkeep of buildings and grounds; assist with repair and maintenance of electrical systems, HVAC systems, plumbing systems, wall repairs, flooring repair/replacement, furniture repair/replacement, lock repair/replacement, and painting, as needed.

MINIMUM QUALIFICATIONS

EDUCATION AND EXPERIENCE: One year of experience performing semi-skilled work in the building and/or mechanical trades; OR one year of experience as a Maintenance Repair Worker I in Nevada State service; OR an equivalent combination of education and experience as described above.

SPECIAL REQUIREMENTS

- A valid driver's license or evidence of equivalent mobility at the time of appointment and for continuing employment.
