## PSYCHIATRIC NURSE 2 – NON-DIRECT CARE

### POSITION DESCRIPTION

Agging and Disability Services Division (ADSD) is recruiting for multiple Psychiatric Nurse 2 positions located at the Desert Regional Center – Non-Direct Care (DRC) in Las Vegas, Nevada.

Psychiatric Nurses provide professional nursing care to individuals with developmental delays, developmental disabilities, intellectual disabilities, or social, emotional, and/or behavioral disorders, in an institution or out-patient setting in accordance with the authorized scope of practice specified in the Nurse Practice Act.

Psychiatric Nurses in this position are involved in developing and conducting training programs for agency staff, and community providers in health-related areas and are required to attend eligibility, human rights, and other meetings where they provide nursing recommendations for individuals served. Incumbents are responsible for conducting investigations of serious incidents including suspected abuse and neglect while treating individuals with dignity and respect and supporting them to make personal choices and achieve desired goals. Incumbents possess a degree of knowledge and proficiency sufficient to perform work independently with little or no additional training.

### MINIMUM QUALIFICATIONS

Current license to practice as a Registered Nurse and two years of professional nursing experience, one of which included working in a facility or institution with individuals with mental illness, developmental disabilities, or intellectual disabilities; OR one year of experience as a Psychiatric Nurse I in Nevada State service; OR an equivalent combination of education and experience as described above. SPECIAL REQUIREMENTS: • Some positions require a valid driver's license or evidence of equivalent mobility at the time of appointment and as a condition of continuing employment. • Pursuant to NRS 284.4066, some positions in this series have been identified as affecting public safety. Persons offered employment in these positions must submit to pre-employment screening for controlled substances. This position requires CPR certification.
