

2026 Nevada Early Intervention Services Family Survey

Why is the Part C office sending me a survey?

As a family receiving early intervention services, your feedback is important. Your insights help us understand what supports make a difference for children and families in Nevada.

How to Complete the Survey:

Mail it using the prepaid envelope, or
Scan the QR code to complete it online

One survey per child receiving services

Answer based on services received since July 1, 2025

Need another option? Contact the IDEA Part C Office at projectassist@adsd.nv.gov

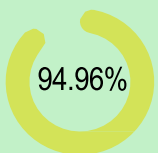

Please respond by March 31, 2026.

Your responses are confidential and will help shape future services.

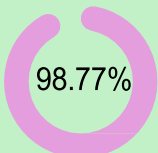

Results from 2025 Family Survey

95.65% of families who responded agreed or strongly agreed that they **know their rights**.

94.96% of families that responded agreed or strongly agreed that they **know how to effectively communicate their child's needs**.

98.77 % of families that responded agreed or strongly agreed that they know how to **help their child develop and learn**.

What families said in 2025

"Everyone is always so kind, patient and understanding! They do amazing work & change lives daily."

"I am so grateful for everything early intervention has done to help my toddler overcome his speech delay!"

"Wish the program went past age three."

"Just to speak on what could improve the wait times which are long for the therapists and also the medical evaluations, but I am very grateful for everything"
