EARN A MASTER'S DEGREE

Are you interested in a master's degree to work with young children who have disabilities as an Early Childhood Special Education Teacher or Speech-Language Pathologist?

IGNITE

Innovative Growth for Nevada's Interdisciplinary Team Empowerment

Interdisciplinary training to improve educational opportunities for young children with disabilities.

Innovative Growth for Nevada's Interdisciplinary Team Empowerment is a personnel preparation grant between the College of Education & Human Development's Educator Preparation Department, School of Medicine's Speech Pathology and Audiology Department, and the National Institute of Artificial Intelligence for Exceptional Education. Upon completion of IGNITE, scholars will obtain a master's degree in Early Childhood Special Education or Speech-Language Pathology.

Funding: IGNITE is funded by a federal grant from the Office of Special Education Program. The contents of this NVC flyer were developed under a grant from the U.S. Department of Education, H325K250090. However, those contents do not necessarily represent the policy of the U.S. Department of Education, and you should not assume endorsement by the Federal Government.

Informational Session

YOU ARE INVITED

Find out how YOU can be a scholar of IGNITE at our informational meeting online.

WHEN

Monday, March 30, 2025 at 3:30 p.m. (PST) via Zoom
