

The Aging and Disability Services Division is excited to announce the community organizations that will be funded to provide Communication Access Services in accordance with NRS 427A.797, beginning July 1, 2025:

Communication Services for the Deaf (CSD)

CSD will have physical locations in Las Vegas, Reno, and Elko and will provide the following services statewide:

- Access to Services – Youth and Adult
- Language Acquisition – Deaf Mentoring, 1:1 and group
- Language Acquisition – American Sign Language (ASL) classes, online and in person
- Telecommunication Equipment Distribution

Nevada Hands and Voices (NVHV)

NVHV will provide Access to Services statewide for Youth, focusing specifically on four programs:

- Guide By Your Side: Family to family Support
- ASTra Advocacy: Educational advocacy and training
- DHH Guide: Direct support from a DHH adult
- DHH Hero Program: DHH Infusion at NVHV events

We look forward to working with our partners as services begin. Additional details and updates will be shared soon.
