SRX/DRX PROGRAM WILL PROVIDE ASSISTANCE WITH THE COST OF PRESCRIPTION MEDICATION WHILE IN THE COVERAGE GAP

A. Eligible for Medicare: Applicants must enroll in a Medicare prescription plan and use that program as the first source of help with prescriptions. In addition, Part C beneficiaries who qualify for extra federal help with Part D costs (such as premiums, deductibles and co-payments) must apply for and, if approved, use that help. This is important because the federal help may cover more of the beneficiary's out-of-pocket costs than the Senior & Disability Rx program. Beneficiaries with very low incomes and limited assets should contact the Social Security Administration at 1-800-772-1213 to find out more information.

B. Age/Disability: Applicant and spouse (if spouse is also applying) must be age 18 through 61 with verifiable disability, or at least 62 years of age at time of application.

C. Income: Includes income from all sources for both applicant and spouse. For current income limits, call 1-866-303-6323 Option 2 OR go to: http://adsd.nv.gov.

D. Residency: Applicants must have lived continuously in Nevada for at least 12 consecutive months (one year) prior to the date of application.
